### **Message from Ms. Carla**

It's Spring! When I look out of my office window it doesn't look like Spring, but the snow is melting and it's Spring Break in a few days.

In the past few weeks, we have sent home report cards, had parent teacher meetings and have enjoyed many different learning opportunities.

The Jr. Class went to the Dalnavert Museum, they enjoyed making rice rolls with 5 students from Japan, they tried the sport of curling and on Thursday they are going to the Manitoba Legislature.

The Sr. Class also enjoyed the rice rolls, curling, different in school speakers and the final Track meet on March 14.

All the students participated in a drama workshop led by the Saraswati Drama group, and then watched 3 different monologues. Fridays afternoons at Cindy Klassen Pool have continued to be fun for all!

I appreciated meeting the parents that came to the meetings on the 13th, and look forward to meeting more of you in the future.

Have a wonderful Spring Break!

God Bless,

Carla Reimer

## Trip to Gem Lake

Miss. Kenzie and myself had the honour of going along with 6 of our Senior girls and 3 of our Juniors to Gem Lake, the Inner City Youth Alive camp from February 6-8th. Despite the cold weather, the girls had an awesome time tubing, snowshoeing,

making slushies in the snow, roasting bannock over a fire, hiking, and snowmobiling. In "mini church", we learned about how close God is to us and that we can talk to God wherever we are. What an amazing camp experience full of bonding, fun, and times of worshipping God!

Mrs. Antle
