

# I Love to Read Month

This past month we celebrated "I Love to Read" month with a Reading Train, wearing T-shirts with words on it, and having a Trash-ion Show using recycled materials, and reading the words on the labels. Each of these FUN activities gave us an opportunity to read words in a unique way!

Another highlight this month was the grade 5-8 students learning about Trades Jobs. Skills Canada came to present to us. It gave the students some great advice about planning for their future careers.

Last week, the Parent Meeting Group blessed the staff with a Staff Appreciation Lunch. Thank-you to all of you who contributed to make that happen! Thank-you to Betiel and her team of parents that planned it and volunteered to supervise in our classrooms. The staff felt BLESSED! The food was delicious, and I know I ate too much!

Our House Groups have been working together on various things. It has created a good school spirit. They are working on their Trash-ion Show model, and they are preparing for chapel presentations that are coming up in the next few months.

Please pray for the teachers as they are beginning to work on Term 2 assessments. Thank-you and God bless you!

Mrs. B. Wiebe

**Rejoice in the Lord always. I will say it again: Rejoice! Let your gentleness be evident to all. The Lord is near.**

*~ Philipians 4:4-5*

Another month is almost behind us, and it was a good month. The annual Association of Christian Schools International (ACSI) Christian professional development day was on Feb. 14. We were again challenged and encouraged by the focus speaker, Chris Yuan. He shared his

testimony and then discussed the concept of Holy Sexuality. Phil Hills continues to lead the Western Canadian contingent and is very impactful in liaising with the government on behalf of Christian Independent Schools. What a blessing to have strong men and women of Faith on the front lines, both educationally and spiritually.

Mrs. Wiebe and I also attended the Manitoba Federation of Independent Schools dinner in Feb. It's always wonderful to connect with the administration from other faith based schools in the Province. Thank you to Teresita Chiarella and Darcy Bayne for their work in supporting Faith based schools in Manitoba.

And thank you to the Parent group who provided lunch for the staff at the Hargrave Campus. We appreciate all you do!

Blessings,

Carla Reimer

## Visiting St. Aidan's Anglican Church

Ben Smith, a former St. Aidan's Student, and the Ensemble Choir were invited to speak and sing during Sunday service at St. Aidan's Anglican church this month. Thank you to all the church members for welcoming us with open arms and your ongoing support.

# Hargrave Grade 5 Spotlight

Grade 5 students worked hard in shops, sanding and cutting wood to make an inukshuk.

# Hargrave Grade 5 Spotlight

This month, students also enjoyed an educational outing at Festival du Voyageur. They learned about the treaties and alliances between First Nations and Europeans and had an all-around fun time.

## Aberdeen Juniors (Gr 5-8) Spotlight

The Aberdeen campus has a very active junior high group of 21 students and three part-time teachers aides on staff. We are already noticing longer days of sunshine as we march towards spring. Students have been working hard in their new math workbooks and we celebrated numeracy with the cake!

February also is “I love to read month”. Miss Dana, our class EA, also loves to read and I often find her along side one of our dear students enjoying a new book.

## Aberdeen Juniors (Gr 5-8) Spotlight

We are learning about germs and viruses in health class, becoming educated on how to stay healthy. Students have made beautiful posters to share!
