Before and After School Care Program 2021-22

The Before and After School Care program is available on school days. The program runs between 7:45 – 8:30AM and 3:45 – 4:45PM for students whose parents'/guardians' jobs require them to be dropped off earlier than 8:45am. There is a fee charged for students who are in this program.

Dropping children off before 7:45AM or picking children up after 4:45PM is not permitted.

Parents are asked to walk their children down into room 130 when they arrive.

Pre-registration and a \$50 deposit is required to participate in this program. We understand that sometimes plans change and you will only be charged for the days your child actually uses the program.

Fees will be charged as listed below and parents will be invoiced monthly. Payments will be taken from the \$50 deposit. When the balance reaches \$10 or less, the parent will be required to pay another deposit.
