

Happy New Year!

I pray that you had a joyous celebration of Jesus' birth and a blessed time welcoming 2021- filled with hope and assurance. As it says in Hebrews 10:23, "Let us hold fast to the confession of our hope without wavering, for He who promised is faithful". Yes, the Lord is faithful not because we are faithful, but because His faithfulness is His nature and He will never change His character. What a great reminder for all of us !

It was a great picture to see our students back from the Christmas break. As some may be struggling getting back to the school routine, I would like to remind you that students should be in school on or

before 8:45am. We would like to train them to come to school on time and ready to learn.

- Spring Break

This is also the time of year when the Administration team begins to plan for NEXT school year. We will be sending home RE-REGISTRATION packets through your child by the end of January. Please read through them as there are some changes. We would appreciate it if you could return the packet on or before the deadline indicated along with the necessary registration fees. Remember, returning the documents DOES NOT guarantee you a slot, you MUST PAY the registration fee as well.

We do this so we can determine how many slots we can open for each grade level for the coming school year. We have a first come, first served policy. Of course, we would like to welcome more families to St. Aidan's but our priority is given to our current families first.

Thank you for entrusting your children into our care. We recognize the precious job we have in educating and training our students to be followers of Jesus and future leaders.

**Pray
for our
school**

- Pray for New Families to join our school for the September 2021 School Year
- Pray for the success of our Spring Fundraising Campaign

We are grateful that even though many things ‘look the same’ moving from 2020 to 2021, God promises that New things are happening. As we walk with the Lord daily, and ask for His guidance, He is doing a New Thing in us each day. What an encouragement as the difficulties related to COVID and other life stresses continue. God is always GOOD!

We are also extremely grateful to the churches, businesses and individuals who donated financially to St. Aidan's Christian School in 2020. May the Lord bless you for your generosity.

Prayer support is also very much appreciated. We know the Lord works when His people pray, and we have seen Him work at the school - with students giving their lives to the Lord, students reading/math abilities increasing dramatically, relationships repaired, and other great things.

Discipleship groups

Our new School Discipleship Ministry exists to foster spiritual growth and life change in and outside the campus through the small group mentoring relationships. It focuses primarily in developing the teachers and students to grow to be the certain kind of multiplying disciples who will commit to live out the Great Commandment and the Great Commission.

It provides a venue for our Grades 5—8 students to experience the love and Gospel of Jesus Christ. It also creates a safe place for them to share their thoughts and feelings, and at the same time, teaches and equips them for life and service.

Aberdeen Update

The senior students at our Aberdeen Campus had a blast dissecting frogs in science class!

Meet Our Teachers

Miss Susan Kroker was born and raised in Winnipeg. She graduated with a Bachelor of Arts major in English and double minor in History and German from the University of Winnipeg.

Miss Kroker worked at a hotel in Germany and speaks German and Spanish fluently. She also learned how to speak a little bit of French and Punjabi.

Aside from her love of learning different languages, Miss Kroker also loves to play different sports and instruments. Archery and Martial arts are her major sports. She plays the guitar, piano, accordion, flute, saxophone, percussions, organ, cello, and sings.

Miss Kroker joined a church ministry where she travelled to Mexico to help transform a garbage dump into an extra school building for the people of Ixtapa. She is an active Sunday School teacher at her local church, involved in the music ministry for special music, and part of the St. Aidan's music band.

Miss Kroker is the grades 5 to 7 class teacher.

Mr. Mark Agdeppa was born and raised in the Philippines. He migrated to Canada in 2018 with his wife and son. Mr. Agdeppa finished his Bachelor of Physical Education from the University of the Philippines and has been in the education field for 20 years.

Aside from teaching a number of years in both International and Catholic Private Schools in the Philippines, Mr. Agdeppa also taught in China for one year.

Grades 5-7

Students in the grade 5/6 class collaborated to create an arctic animal collage for the bulletin board in the hallway. They traced, cut, arranged the scenes, and hid the animals. They learned some valuable lessons on how to work together as a team.
