“I Love to Read” Month

Dates To Remember

February 12-15 - School Spirit Week
February 16 - No School
February 19 - No School
March 8 - No School

“Let your gentleness be evident to all.”

Philippians 4:5

As we move through the Fruits of the Spirits, we are looking at Gentleness for the month of February. Philippians 4:5 reminds us “Let your gentleness be evident to all.”

Gentleness is the quality of being kind, tender or mild-mannered.

We are grateful that so many of our students are displaying the fruit of Gentleness. We always want to encourage our students to be kind and gentle to each other.

Thank you, parents, for the amazing role you play in nurturing and teaching your children – the wonderful students we have at St. Aidan’s!

Blessings, Ms. Carla Reimer, Principal

February is usually one of our coldest months, but we have been blessed with rather a mild winter. God has shown us much favour and has been very gracious to our St. Aidan's Families.

I LOVE TO READ kicks off this month and we look forward to many activities to boost our vocabulary, passion for reading and to celebrate our 100th day of school. Students will have the opportunity to dress up during our reading week to celebrate their culture, Valentine's day and attempting on looking like a 100-year-old person. Reminders will be sent home with students.

Safety is our first priority and this month we will be practicing many **safety drills**. No need to panic, they are only drills. Notification letters will be sent home to all families should there be an incident of any sort. The staff will speak to students, explain, practice drills and reassure students of the procedures that need to take place.

Our **Library** program has commenced, and students will be allowed to check out a book from our school library every Thursday and return them the following Wednesday in the same condition. Reminders will be sent home for overdue or lost books.

We look forward to a fun-filled learning month.

Peace and Blessings,
Ms. E. Petersen, Vice Principal

Love is patient, love is kind and is not jealous; love does not brag and is not arrogant,

The grade 7-8 basketball team put up a spirited performance in their first game on January 24, against Freedom International School, despite not securing a victory. Our students showed great pride in their first ever game and they enjoyed it. Despite the outcome, the match was a success as it provided the students with an opportunity to demonstrate their basketball skills and teamwork. The players' dedication and effort, especially considering it was their first game, contributed to the positive experience for all involved.

The highlights of the game for the grade 7-8 basketball team were the students' enthusiastic participation and their commitment to giving their best effort. The players' enjoyment of the game and their demonstration of good sportsmanship were also significant highlights.

Additionally, the match served as a valuable learning experience for the team, allowing them to showcase their skills and teamwork on the court.

Overall, our students enjoyed the event and they wanted to play more against other schools. The experience is something that they can carry and be proud of.
