Student Handbook 2025-26

TRUST IN THE LORD WITH ALL YOUR HEART AND DO NOT LEAN ON YOUR OWN UNDERSTANDING. IN ALL YOUR WAYS ACKNOWLEDGE HIM AND HE WILL DIRECT YOUR PATHS. Proverbs 3:5-6

We believe that the most important decision a young person can make is to follow Jesus Christ. Thus, we support teaching of the Bible and giving students opportunities to discuss their questions about Christianity within the parameters of the school curriculum.

We value and respect each student. We acknowledge that they are created in the image of God with unique abilities and gifts, and are uniquely shaped by their family, culture, and learning environment.

We value and respect all staff. We employ staff who demonstrate commitment to Jesus Christ, have excellent teaching/ administration skills, and who demonstrate love toward the students and the community. Staff will be supported to grow personally, spiritually, and professionally.

We value a learning environment that both challenges and affirms students' efforts to acquire knowledge, skills, and attitudes consistent with the Manitoba school curriculum and Christian teaching.

Believing that God has the power to change lives, and that St. Aidan's is the work of God, **we value all support for our school—prayer, financial & other gifts, and volunteers' time & efforts.** We value our relationship with Inner City Youth Alive and Calvary Temple.

STATEMENT OF FAITH

We believe in God as He has been revealed through His Word (the Bible), through His works (all created things) and, supremely, through His Son, Jesus Christ. We understand that God reveals Himself as Father, Son and Holy Spirit, yet as one God, a trinity of persons.

We recognize that humanity, created with free will and in the image of God, has chosen to rebel against God. This rebellion estranges humanity from God, creating a problem which cannot be resolved by merely human means.

We believe that God the Father, in His great love for the world, sent His Son, Jesus Christ, to redeem the world by dying on the Cross. We declare that Jesus is truly God and truly Man, that He was born of the virgin, Mary, that He lived a sinless life, that He died a human death on the Cross, that God the Father raised Him to new life in a glorified body, that He ascended to His former place in Heaven, and that He will return one day to bring judgment upon the world and salvation for all who believe in Him.

We believe that sinful humanity may be reconciled to God through repentance and faith in Christ, as Savior and Lord. Believers are called to a life of discipleship and holiness, through the indwelling presence of the Holy Spirit and through Christian teaching and nurture.

We acknowledge the Bible as the inspired Word of God. It is the primary authority for all matters of Christian living and doctrine. We believe in the Church, the fellowship of believers, and in water baptism as a sign of repentance and faith.

CODE OF CONDUCT

At St. Aidan's, we have developed a code of conduct that applies to all students while they are engaged in school, travelling to and from school, or during school activities on and off site. These guidelines assist students in becoming self-disciplined, and to enhance and maintain an optimum learning environment for all.

Students are to:

- **Conduct themselves in such a manner as to permit maximum learning:**
 - Students will pay attention in class, follow the instructions of their teachers and avoid distracting other students.
 - Students will follow the rules of the school.
 - Students will be punctual and attend school daily.
 - Students will complete work well and within the time allotted.
- **Assure safety of staff and students:**
 - Students will be orderly, quiet, and will avoid danger.
 - Care and respect will be demonstrated inside and outside the classroom.
 - Students must remain on school premises or designated areas during school hours unless otherwise instructed.
 - Substances which are harmful are not permitted.
- **Respect property and equipment:**
 - Food is to be eaten in designated areas and at designated times.

Students will:
 - Endeavor to respect and love one another.
 - Will do their best to demonstrate excellence, purity, wholesomeness, truth, and loveliness.
 - Accept responsibility for inappropriate words and actions (including hand signals/gestures) and are encouraged to repair harm and restore relationships.
 - Solve conflicts peacefully through discussion or by seeking adult assistance.
 - Demonstrate honesty and integrity in all academic matters; refrain from plagiarism or other means of academic dishonesty.

Where student behaviour falls short of our code of conduct, consequences will be based on individual needs, the severity and frequency of the problem, and the ability of the person to understand and handle the consequences.

Staff are to:

- Create a positive, Christian learning environment where all students are treated with respect and courtesy.
- Be a positive Christian role model in all aspects of their lives.
- Work together as a team with colleagues.

SCHOOL HOURS

School begins at 9:00am. Students are to arrive at 8:45am. School ends at 3:40pm. Students are to be picked up by 4:00pm.

ATTENDANCE

Our expectation is that students will attend school regularly in order to be successful. It is also a legal requirement that students regularly attend school until they are 18 years of age. When students are going to be absent, we ask that parents/guardians call the school to let us know.

If students are missing a significant amount of school or are habitually late, we need to address the issue. School staff will attempt to contact parents/guardians to inform them of absences. Where low attendance is putting grades in jeopardy, the school will call home to set up a meeting to determine what can be done to improve the situation.

CURRICULUM

The school meets the academic requirements of the Manitoba Department of Education. We also offer a Bible course and options such as music, computer, art, home economics and more. The availability of the above options may vary from year to year depending on the availability of facilities and staffing.

BEFORE & AFTER SCHOOL CARE PROGRAM

The Before and After School Care program is available on school days. A fee is charged for students in the program between 7:45 – 8:30AM and 3:45 – 4:45PM for students whose parents'/guardians' jobs/school require them to be dropped off earlier than 8:30am. Fees will be charged as listed on the fee chart on the previous page and parents will be invoiced monthly.

Parents **MUST** provide a credit card from which fees will be deducted automatically.

Dropping children off before 7:45AM or picking children up after 4:45PM is not permitted.

Parents must walk their children down to room 130 when they arrive to sign their child in.

Parents must sign their child out when they pick them up at the end of the day.

STORM OR WEATHER CLOSURE

The school will follow Winnipeg School Division's lead concerning school closure. Parents/guardians can learn about Winnipeg School Division's decision to close schools by listening to CJOB radio (680 AM) or going online: Type "CJOB" or "School Closures". The principal will call in the cancellation by 6:15 a.m.

Various field trips will be scheduled throughout the school year. Parents will receive an information letter from the teacher about their child's field trip. Students may be asked to help cover some costs such as transportation and/or entrance fees. If a field trip falls outside the normal school day, students will be given an additional letter to take home so parents/guardians are informed of the details. Parents/guardians are encouraged to call the school office if they have questions about a field trip.

BULLYING

St. Aidan's is committed to cultivating a safe learning environment for all students. If students don't feel safe, they are encouraged to report this to their teacher or administrator. The school will then assess the situation and take the appropriate actions.

It can take many forms such as physical pushing, kicking, hitting, racist taunts, threatening taunts and gestures, sexually abusive comments, verbal name-calling etc. Many of these behaviors can also be carried out online.
